

## **VOLUNTEER FOR ARTS CENTRE OFFICE (located at King Heritage and Cultural Centre)**

Arts Society King (ASK) is seeking an outgoing individual to provide office and visitor support to our desk at the King Heritage and Cultural Centre (KHCC), located 2920 King Road, King City.

Through a formal partnership with King Township, ASK operates out of the KHCC and has scheduled access to the gallery and site for our various arts-based initiatives. While the municipality staffs and manages the Centre, ASK collaborates on projects and works as part of the team on a weekly basis.

As ASK'S office volunteer, some things to look forward to are:

- meet lots of new people and expand your network
- if you are an artist, become more visible in the arts community, make connections
- contribute to a dynamic arts organization
- learn more about the King arts, culture and heritage scene
- be a part of our team of professionals

The position is scheduled for a Thursday or a Friday from 10:00 am to 4:00 pm; however we can work with you to accommodate your calendar if needed - please let us know what will work better for you! There will be some light office duties, greeting and assisting visitors, help with events and exhibitions, and plenty of time for your own work/activities too.

This is an exciting opportunity for YOU to be a part of a dynamic professional team and organization, with the opportunity to meet people, make connections and be a part of the interesting arts and culture scene in KING.

The ideal candidate is anyone interested in a future in the arts, culture and heritage sector, or an artist (current or retired), or a retired professional seeking a dynamic volunteer opportunity, or a post-secondary student, or a new member of the King community with an interest in the arts and culture sector. WE WANT YOU!

Please contact Teri Hastings, Executive Director, Arts Society King at 905-833-2331 or [ExecutiveDirector@ArtsSocietyKing.ca](mailto:ExecutiveDirector@ArtsSocietyKing.ca). An outline of your interest and qualifications is appreciated. This position is available immediately and we hope the successful candidate(s) will consider this a long-term opportunity.
